

Steps to Create SAP Data Intelligence Trail Account

1. Go to google and type 'SAP Data Intelligence Trail Account' and click on first link

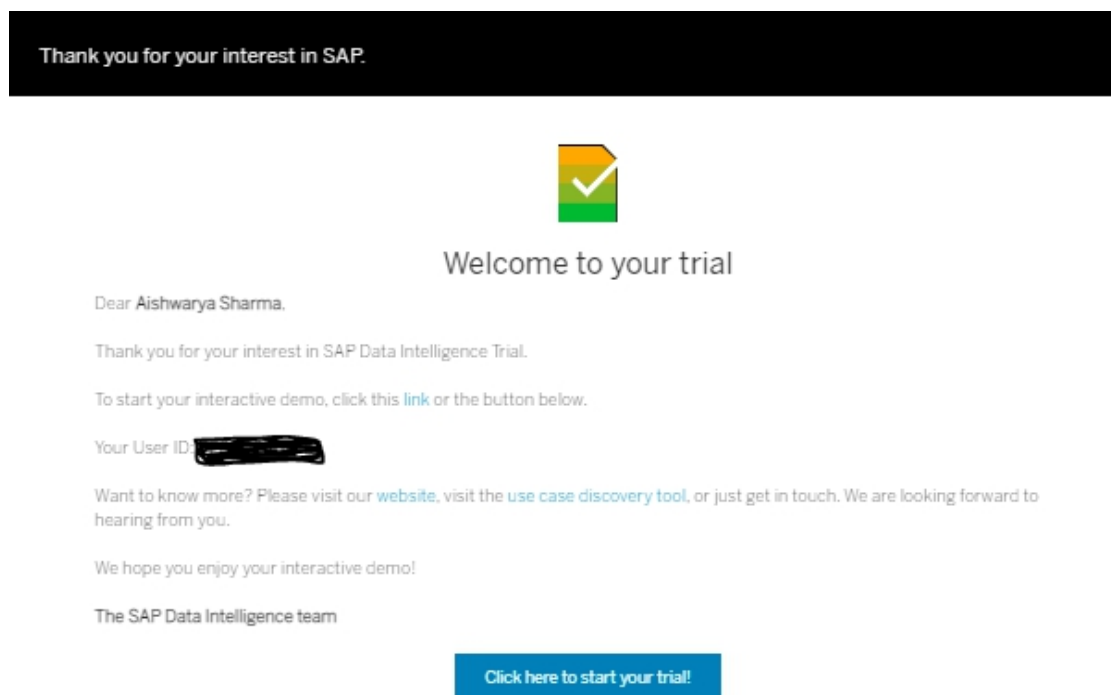

2. Click on 'Start Free Trail Account'

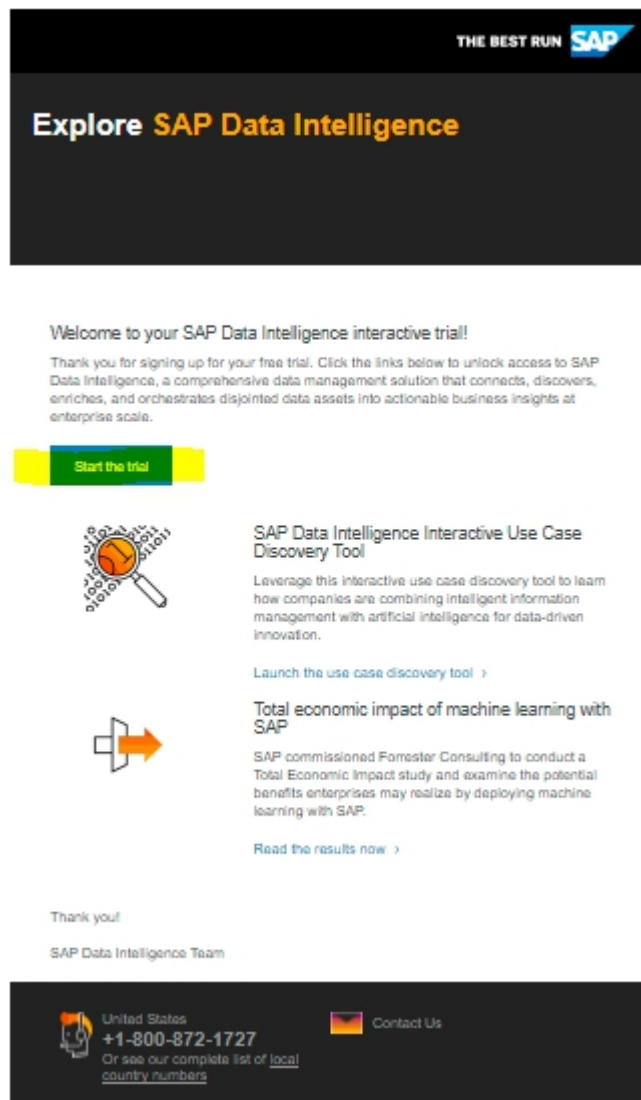

3. A pop-up will appear, fill all the details. Accept the terms & conditions and Submit.

The screenshot shows a registration form with a progress bar at the top indicating three steps: 1. Register, 2. Verify your e-mail, and 3. Access all resources. Below the progress bar, the title 'One time registration for continuous access' is displayed. Underneath, there are four icons representing different benefits: 'Free Trial Software' (laptop icon), 'Documents & Reports' (document icon), 'SAP Community' (group of people icon), and 'Join virtual events' (clapperboard icon). The main registration form is titled 'Tell us about yourself' and contains several input fields: 'Business e-mail address *', 'Last name *', 'Country/Region' (a dropdown menu currently showing 'India'), 'Department *' (a dropdown menu), 'First name *', 'Company *', 'Phone' (a dropdown for country code showing '+91' and a text field for the number '+91 XXXXX XXXXX'), 'Relationship to SAP *' (a dropdown menu), 'Create password *' (with a note 'Must have at least 8 characters.'), and 'Confirm password *'. There is a checkbox for 'I have read and understood the Terms and Conditions of SAP.com *' and links to the 'Privacy Statement' and 'Terms of Service'. A blue 'Submit' button is at the bottom left. On the right side, there is a box for 'Already registered?' with a blue 'Login' button.

4. After successful registration, a pop-up message will appear like below screenshot. Also, you will get a confirmation mail from SAP.
